Beauty & Strength

Enhance the appearance of your home with the Deluxe Plus Series by Ankmar. These handsome residential garage doors combine the beauty of wood-like design with the strength and easy care of steel. Available with a variety of panel styles, the Deluxe Plus Series features insulation surrounded by two steel skins, thus providing durability and noise reduction. A choice of window styles and durable baked factory finishes lets you select the perfect door for your home.

Deluxe Plus Series - Regency

65, 66, 67 & 69

CONSTRUCTION

Two deep-drawn, tension-leveled, galvanized steel skins are polyester painted and wrapped around a one-pound density expanded polystyrene insulation board using a polyurethane adhesive.

This construction method provides insulation value, durability, sound deadening qualities, and dent resistance for an all-around superior product.

- A. Finish Painted Coat
- B. Primer Coat
- C. Galvanized Layer
- D. Steel

- A. 10 ball steel rollers provide long lasting durability
- B. Heavy duty galvanized 14 gauge hardware
- C. Tongue and groove design provides weathertight section joints
- D. 2" expanded polystyrene insulation provides an R-Value of 8.0.
- E. Steel skins inside and out provide maximum durability.
- F. Aluminum bottom retainer with vinyl weatherstrip follows contours of your garage floor to seal out weather.
